Meet Our In-House Florist

Hello, I'm Marcelli. At a young age, I discovered a passion for creativity, which naturally led me into the world of floristry in 2002.

My journey began with helping to establish a small retail business focused on wholesale florist supplies. This experience opened the door to a fulfilling role with a major UK floral supplier.

In 2016, I took the exciting step into freelance floristry, working with a variety of bespoke event florists on a wide range of creative projects. This really allowed me to hone my skills.

In 2020, I followed my dream of opening my own business – FloralCelli Flowers, based in Banbury.

Flowers have always been a huge part of my life, and I'm passionate about working together with my clients to bring their visions to life through floral design.

I've proudly been the in-house florist for Edd Frost & Daughters since September 2023, and I'm here to help you create a beautiful and meaningful floral tribute for your loved one.

Please don't hesitate to contact me directly to discuss your ideas and help you through this important part of your journey.
